Preface: Proceedings of the International Conference on Numerical Analysis and Applied Mathematics 2019 (ICNAAM-2019)

Official Conference of the European Society of Computational Methods in Sciences and Engineering (ESCMSE)

The International Conference on Numerical Analysis and Applied Mathematics 2019 (ICNAAM-2019) has been scheduled to take place at Sheraton Rhodes Resort, Rhodes, Greece, between 23th and 28th September 2019.

The aim of the conference is to bring together leading scientists of the international Numerical and Applied Mathematics community and to attract original research papers of very high quality.

More than 1500 papers have been submitted in order to be considered for presentation at ICNAAM-2019. The selection of the papers included in this Volume was based on an international peer review procedure by at least two independent reviewers.

We would like to thank:

- The eminent Scientific Committee of ICNAAM-2019 for their help and support (see the Conference Details in subsequent pages).

- The Symposia and Sessions organizers for their considerable effort, as well as for their valuable job in relation to the further development of the conference.

- The distinguished invited speakers for their difficult task and for their acceptance to give keynote lectures on their respective fields of expertise.

- Special thanks to Prof. Ch. Tsitouras, Prof. Z. Kalogiratou and Prof. Th. Monovasilis for their help in editing this volume.

- The Organizing Committee for their valuable assistance.

- Special thanks to Mr. G.Vordonis for his help in typesetting of this Volume.

- Special thanks to the Secretary of ICNAAM-2019, Mrs Eleni Ralli (who is also the Administrative Secretary of the European Society of Computational Methods in Sciences and Engineering (ESCMSE)) for her excellent job.

- Special thanks to the American Institute of Physics for the inclusion of these Proceedings into the famous series of the AIP Conference Proceedings

- Special thanks and acknowledgments to the REGALSCOPE LTD for their organization

Professor Dr. T.E. Simos, Editor

President of the European Society of Computational Methods in Sciences and Engineering (ESCMSE), Active Member of the European Academy of Sciences and Arts; Active Member of the European Academy of Sciences; King Saud University, Saudi Arabia.
