

Corrigendum

Corrigendum to “Electronic structure and magnetic properties of graphene/Co composite” [Carbon 91 (2015) 298–303]

The authors of the above paper would like to point out that there was an error in Fig. 2 that shows the optimized atomic structure for model Graphene/Co/CoO composite obtained by DFT calculation. The correct structure is presented in the following figure:

The authors apologize for the error.
