CONTENTS

A Whole Life Devoted to Science	223
<i>Musin A. M., Shabunin S. N., Knyazev S. T.</i> Surface electromagnetic waves on a conductive screen with a dielectric coating having ohmic losses	229
<i>Posnyi O. A., Dolgushev S. V., Posnaya E. A.</i> The input protective circuit of receiver radio frequency path with fixed restriction level.....	243
<i>Lagovsky B. A., Samokhin A. B.</i> Impulse functions of the mutual coupling of the elements of the antenna arrays when emitting UWB pulses	251
<i>Noskov V. Ya., Ignatkov K. A., Shaydurov K. D.</i> Determination of autodynes dynamic parameters beat method	261
<i>Zaitsev B. D., Semyonov A. P., Fedorov F. S., Teplykh A. A., Borodina I. A., Grebenko A. K., Nasibulin A. G., Filkov G. I., Trofimenko A. V.</i> Gas sensor based on the piezoelectric lateral electric field resonator and a gas-sensitive chitosan film	286
<i>Zaitsev B. D., Teplykh A. A., Borodina I. A., Semyonov A. P.</i> Liquid sensor based on a piezoelectric resonator with a lateral electric field made of piezo-ceramics PZT.....	296
<i>Galenitsky A. V., Kazantsev A. A., Tyutyukin A. E.</i> Radar imaging of stabilized ballistic targets.....	306
